

The Cost Savings from Using Restoration Manager!

6 Ways our system helps you save time and money!

1. Stop donating equipment! (Contractors are losing as much as \$15,000 a year in equipment), **TRACK IT DON'T LOSE IT!**

Equipment Summary	
Total Active Equipment:	12
Current Utilization:	41.67%
Equipment Out:	5
Equipment Overdue:	1
Equipment Due Today:	0

2. Save time by documenting your job in the field using a Windows Mobile Phone!

- Capture signatures
- Take detailed pictures
- Complete sketches
- Complete notes
- Sign out equipment
- Capture moisture readings.
- Update job progress
- Assign work orders

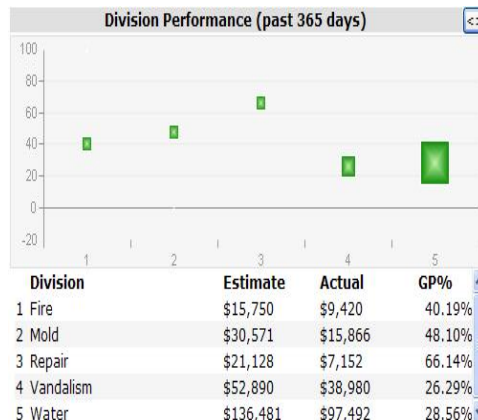

3. Manage your leads and referrals so you can spend money on productive leads and developing the right referral sources.

Top 5 Companies (Jobs, past 365 days)		
Allstate Insurance Company	21	58.33%
